Subject: Completion Certificate – SS Engineering, Chennai, India

Dear Sir/Madam,

This is to certify that M/s S. S. Engineering, 7th Cross Street, Mangala Nagar, Chennai - 600116, India has successfully completed installation of a total of 96 numbers of 132 kV Cable joints, 24 numbers of 132 kV terminations as a sub-contract for our various projects in the Emirate of Dubai, United Arab Emirates.

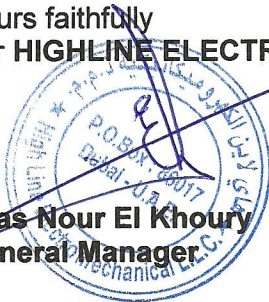

The jobs were executed in line with our Purchase Order no. HLEM/11-2009/0329 dated 11th November 2009 and included installation of joints and terminations under the supervision of the manufacturer, and S.S. Engineering also provided assistance in testing and handing over of the completed installation.

The services provided by S.S. Engineering were of a high standard and the project was completed by them within the agreed time schedule. Their staff were professional in their dealing of all related technical and site co-ordination matters.

Accordingly, we have no hesitation to recommend S.S. Engineering for similar works.

Yours faithfully
For **HIGHLINE ELECTROMECHANICAL L.L.C.**
